**⚠ EXTERNAL**

Any attorney or other litigant on this email thread who acts on the advice or utilizes information provided by the malicious psychopath David George Sweigert should do so at their own peril. I will see David George Sweigert and ANY of his coconspirators sent to prison if it takes the rest of my life to accomplish that. This is a fair warning to anyone who would be foolish enough to continue to cooperate with his stalking and harassment.

To attorneys seeking financial sanctions against Mr. Goodman,

The undersigned will file an objection to the Magistrate's R&R that will painstakingly delve into Goodman's subjective bad faith in filing Court documents to feed his Counter Lawfare show on Patreon.

Bad faith is the key to unlock the inherent powers of the Court.

Best,
